[Music]

[Text on screen: Emmanuelle Corriveau Working at Desjardins since 2019]

[We see a woman, Emmanuelle, in her kitchen with her 2 children.]

Emmanuelle: The thing that stands out to me about working at Desjardins is definitely the work-life balance, and the financial stability it gives me.

[We see Emmanuelle saying goodbye to her children as they leave the house.]

Emmanuelle: "Bye! Have a nice day. I love you"

[We see Emmanuelle jogging outside.]

Emmanuelle: I have financial security for now and for the future, thanks to the Desjardins Group Pension Plan.

[Text on screen: Sacha Garp Marquis Working at Desjardins since 2021]

[We see a man, Sacha, cooking in his kitchen. We then see him in his dining room, facing the camera.]

Sacha: The advantage with the Desjardins plan is the cost-sharing: The employer pays 65%, and I pay 35%. As someone who's into my investments and personal finances, I'd say that the Pension Plan's performance is very appealing in the current market.

[Text on screen: Camille Cavanagh Working at Desjardins since 2020]

[We see a woman on a virtual meeting with colleagues. We then see her in her living room, facing the camera.]

Camille: I'm a young professional, so I definitely want to live life to the fullest. I don't necessarily want to spend time managing my investments myself. It's a major advantage knowing that the Pension Plan takes care of it, that there are experts who'll do it for me and that contributions are taken directly from my paycheque.

[We see Emmanuelle in a meeting with colleagues in an office.]

Emmanuelle: The pension simulator is super handy. It lets you create various retirement scenarios.

[We see Camille in her living room, facing the camera.]

Camille: If I have any questions, I know I can check the website or even call Member Services directly.

[Text on screen: Karelle Kabalan Working at Desjardins since 2014]

[We see a woman, Karelle, walking toward her office in a professional Desjardins environment. She is then seen in a meeting with colleagues in an office.]

Karelle: The Desjardins Group Pension Plan really sets us apart in the market. It's a strong, well-managed plan. I'm so proud to be a member as an employee and to offer it to other employees, too.

[Text on screen: Paul Julien Working at Desjardins since 2023]

[We see a man, Paul, in nature, facing a body of water.]

Paul: The Desjardins Group Pension Plan gives me peace of mind. When I compare myself to people around me, to my family and friends ... They don't necessarily have that advantage.

[We see Emmanuelle in her dining room, facing the camera.]

Emmanuelle: For me, the Desjardins Group Pension Plan is synonymous with peace of mind.

[We see Camille sitting in the living room, holding a photo album.]

Camille: While my retirement is still a ways off, knowing that I'll have a pension that will allow me to maintain my current lifestyle is obviously a huge advantage.

[We see Karelle in a professional environment, facing the camera.]

Karelle: When I retire, what I really want is to enjoy my life and family, and above all, to continue to invest in everything I love. I'm convinced that the Pension Plan will help me make those lovely dreams come true.

[We see Sacha in his dining room, facing the camera.]

Sacha: I'm not about to retire, but when I do, I'm sure it will all go well.

[We see Paul walking out of a farm building in the countryside.]

Paul: I'm living the retirement I had planned for myself, and that's very satisfying. I had set goals for myself, and now here I am, making them a reality.
